**English resume, self-introduction, letter writing and interview training**

**Job training 4 times - Training and mentoring by YBLN training trainer**

# PABLO PROJECT

Raising the value of our children, not simply graduating from high school or entering college.  
 This the only program that leads children to make the best out of themselves!

Participating students learn how to study on their own and create their own portfolios through various activities and discussions.

It is a program that equips students with language skills, discussion skills, study skills, attitude, and mindset to adapt to university life as well as university entrance.

# My Dream Camp

## Intensive classes to improve skills in a short period of time

- At least 10 hours of class every day on weekdays (partial self-directed learning after 10pm)
- Individually tailored lessons (4 classes 1:1 class, 4 group class, 1 hour math class, 2 hours PE class)
- Daily writing and speaking test / English Reading and Writing / Vocabulary test / Weekly speaking test

## Verified camp directly operated by MK

- Directly operate an ESL center with 20 years of English education know-how and high-quality instructors
- Unlike other camps operated only during vacations as temporary facilities at general resorts or hotels, they are equipped with learning facilities/instructors.
- Equipped with dormitory facilities for 300 people on a 2,000 sq.m. site / Operation of online English center

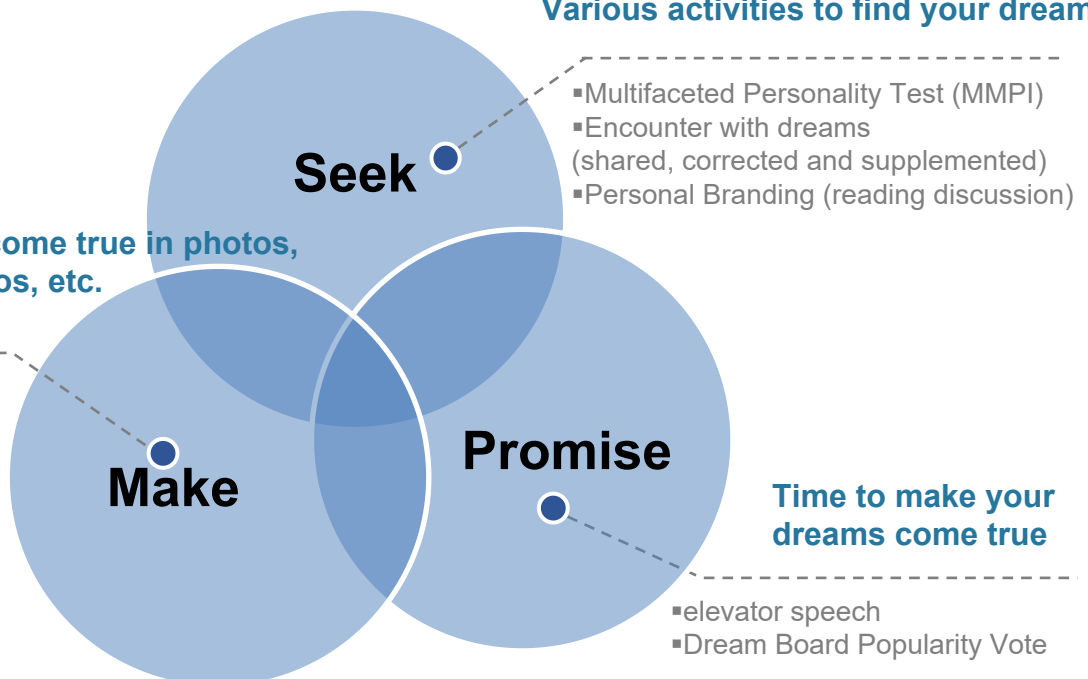

## Expert in handling Camp students

- The students have their manager from arrival to departure.  
Students are monitored by their manager or a local staff staying with them. This is to make sure of their safety and health.
- The management is responsible for overall academic affairs. Such as checking of attendance and monitoring test results.
- Reports are sent to the parents weekly and portfolio with records are sent after the training.
- Phones are strictly managed by the manager, communicating with the parents are scheduled by the manager-in-charge
- Activities are scheduled and arranged before they arrive in MK.

- Find and create concrete dreams for students studying with vague dreams
- Why study – realistic mentoring to achieve your dreams
- How to live as a protagonist

Make your dreams come true in photos, texts, pictures, videos, etc.

- Create a dream board
- Profile and photo shoot

# MK Talking Online English Program

## Instructors

1. Professional instructors with TESOL qualifications – 97%
2. Tutors have atleast 2-years of experience in teaching
3. Tutors are trained daily by a certified IELTS Staff

## Bachelor Management

1. Free Level Test – Provides a level test optimized for online English / Knows the exact level of the student
2. Study Status Report - Provides basic information on the course you are currently taking, such as courses taken, course duration, test scores, instructor information, and textbook information.  
Depending on the class schedule, the number of class days, attendance and absence status, daily evaluation, class postponement possible
3. Learning evaluation - This is a general exam evaluation in which the instructor during class reports mistakes, pronunciation, predictions, expressions, etc., and improves repetitive problems through evaluation.

## Custom Training

Variety of Courses - Provides a variety of courses to suit the student's needs.

Learning textbooks - Various textbooks according to the learner's level and desired learning direction

Feedback – improvement of individual weaknesses of students, check of requirements (two-way communication)

## LMS (learning management system)

Students can view and receive academic information, class schedules, class recording files, evaluation reports, etc. of the instructor in charge of the learner through My Page.

The screenshot displays the LMS interface for a course titled "전화영어 시나리오과정과정 주5회 10분수업 1개월 (11년 07월 27일 ~ 11년 08월 24일)". It shows course statistics: 총수업: 20회, 출석: 12회, 결석: 1회, 중도: 0회, 남은수업: 7회. Below this are icons for "무료리스트 관리", "수업연장 신청하기", "내 강의 정보보기", "내 교재 정보보기", and "출석부 확인하기". A download section for "MegaTalking(CAI\_MegaTalking.pdf)" is visible. The main part of the screenshot is a calendar for August 2011, showing class status for each day. The calendar includes columns for SUN, MON, TUE, WED, THU, FRI, and SAT. Class status is indicated by icons: a green circle with a plus sign for "출석" (Attendance), a green circle with a minus sign for "결석" (Absence), and a red circle with a plus sign for "학일유감" (Class absence). The calendar shows that classes were held on most days, with some absences and class absence marks. A sidebar on the right lists "수업상태 표시 안내" (Class status display notice) with icons for "수업전" (Before class), "수업중" (During class), "수업후" (After class), and "결석" (Absence).

## MY PAGE

### Detailed course information

The learner's learning process, period, instructor in charge, class schedule, textbook information, etc. are reported, and the learner can use the class hold function.

### Download self textbook

Classes can be taught using textbooks provided independently without purchasing textbooks, and textbooks can be downloaded and used in the form of e-books.

### Class lecture calendar

You can check the student's attendance and class evaluation through the class calendar. In addition, you can check the class recording file uploaded immediately after class in real-time.
